- Wireframing
- Adobe Premier Pro
- Figma
- HTML & CSS
- Java Script
- WCAG, responsive design
- Adobe InDesign
- A/B testing
- Stakeholder Management
- Presentation & Storytelling
- Adobe Firefly

PROFESSIONAL EXPERIENCE

Kenya Airways, Nairobi, Kenya

August 2022 – Present

Graphic Design Assistant

- **Revamped Kenya Airways' website:** Supported the migration of 300+ content pages into a new CMS, optimized assets for responsiveness, and implemented WCAG-aligned UI patterns—reducing page load errors by 25% and improving site usability.
- **Boosted campaign engagement:** Designed and delivered 150+ multi-channel assets (web, email, social media, print) using Photoshop and Illustrator; contributed to an average 70.9% increase in engagement/CTR across priority campaigns.
- **Strengthened loyalty marketing:** Produced creative assets for the Asante Rewards program, including e-shots, banners, and digital flyers, helping drive membership sign-ups and repeat engagement.
- **Expanded brand reach:** Designed magazine e-shots featured in Africa Affari Giugno Luglio and Aviators Africa, reaching an estimated readership of 50,000+, positioning Kenya Airways as the airline of choice for regional and international travelers.
- **Streamlined creative delivery:** Managed a pipeline of 4–6 concurrent briefs per week, achieving 100% on-time delivery by introducing a request-intake and prioritization system that improved stakeholder turnaround.

- **Systematized design operations:** Built and maintained a centralized library of templates, infographics, and brand resources, ensuring consistent application of brand guidelines across marketing and internal communications.
- **Enhanced multimedia output:** Edited short-form videos, GIFs, and animations for digital platforms, contributing to higher audience retention and engagement on social channels.

Notable Achievements,

- Boosted engagement: Contributed to a 70.9% increase in average engagement rate, raising it to 7.5% across platforms.
- Expanded audience reach: Helped grow post reach by 36.5% (from 13.4M (PY) to 18.3M people) through visually compelling and consistent design.
- Enhanced visibility: Supported content that generated 61.8% more impressions (33.1M vs. 20.4M (PY)).
- Strengthened brand presence: Contributed to growth of the social audience to nearly 2M followers (+3.4%).
- High-impact design strategy: Played a key role in campaigns that led to a 300% increase in page & profile impressions (163.8M vs. 40.9M (PY)).
- Created an E-shot featured in the *Africa Affari Giugno Luglio 2024 Magazine*, promoting travel to Africa via Kenya Airways and encouraging enrollment in the Asante Rewards program.
- Designed an E-shot featured in the *Aviators Africa Magazine*, promoting travel from Lagos with Kenya Airways.

Secutech East Africa Limited, Nairobi, Kenya

April 2022 – July 2022

IT Support Intern

As an IT Support Intern at Secutech East Africa Ltd., I provided technical support, resolved hardware and software issues, and optimized IT operations to enhance system performance and user experience.

- *Providing technical assistance* and support to end-users via phone, email, or in-person.
- *Installing, configuring, and maintaining* hardware and software systems.
- *Troubleshooting hardware and software* issues and resolving them in a timely manner.
- *Performing routine maintenance* tasks such as backups, system updates, and virus scans.
- *Keeping up-to-date* with emerging trends and technologies in IT support.
- *Keeping up-to-date* with emerging trends and technologies in IT support.
